Subject: Public Complaints

Complaints by citizens regarding any facet of the school operation often can be handled more satisfactorily by the administrative officer in charge of the unit closest to the source of the complaint. Unresolved complaints at the building level must be reported to the Superintendent by the Building Principal. The Superintendent may require the statement of the complainant in writing.

If the complaint and related concerns are not resolved at the Superintendent level to the satisfaction of the complainant, the complaint may be carried to the Board of Education. Unresolved complaints at the Superintendent level must be reported to the Board of Education by the Superintendent. The Board of Education reserves the right to require prior written reports from appropriate parties.
