Dear LaFayette Families,

We need your input!

Why? Your Voice Counts!

Background: Last year a survey was sent to LaFayette families asking you to rate the district and your child(ren)'s school(s) on a variety of topics. The results were used in creating goals in the District Comprehensive Improvement Plan and School Comprehensive Education Plans. Progress towards the goals set is monitored through academic achievement data, attendance data, and survey data.

As part of the mid-year review of data, feedback from parents is being requested. Please take one minute to answer the following three questions.

Thank you!

Which school(s) does your child or children attend? *(check all that apply)*
